Camp Clover Bud

JUNE 2-4, 2017

The length of the stay is shorter and the staff to camper ratio is greater. Of course campers still participate in all the traditional camp activities offered at 4-H camp, including canoeing, swimming, archery, nature, and recreation, as well as a host of fun nighttime activities. This will be many campers first taste of "sleep-away-camp" so staff and leaders take great care to create a caring community in which a clover bud camper can grow in confidence and begin to enjoy the fun and camaraderie of summer camp!

Camp Cloverbud is specifically designed for campers (and parents) who are not yet ready for a full week of a residential camping experience!

- Ages 6-8
 - Cost is **\$62.50** (\$125 is base cost) *Includes meals, lodging, staff, supplies, & t-shirt
 - Campers will rotate through each camp class, participate in evening activities & free swim
 - Applications are available at **Robertson Co. Extension Service**
